Jaipur

PROJECTS

E-Commerce Website (Amazon Clone) | Web Development Project

Developed a responsive e-commerce website inspired by Amazon to demonstrate online shopping functionality. Implemented product listing, product detail pages, and user-friendly navigation using HTML, CSS, and JavaScript.

Quiz Web Application | Web Development Project

Developed an interactive quiz web application that allows users to attempt multiple-choice questions and receive instant results. Implemented dynamic question handling, automatic score calculation, and result display using HTML, CSS, and JavaScript, providing a user-friendly and responsive interface.

EXTRACURRICULAR

Member – E-Cell (Entrepreneurship Cell), NIT Jalandhar | 2024–Present

Coordinated team activities, supported club initiatives, and ensured smooth execution of events and projects..

TECHNICAL SKILLS

Languages: C, C++, Python

Core Concepts: Data Structures & Algorithms, Object-Oriented Programming (OOP)

Web Development: HTML, CSS, JavaScript
